

CEILING BLADE FAN D132 BK REM

	LISO BC CODE	EAN	This product contains a light source of energy efficiency class	Contained Light Source
LISO-DC CEILING BLADE FAN D132	AC73952	4099854536588	E	

IMPORTANT SAFETY INSTRUCTIONS

1. **WARNING:** When using electrical appliance, basic safety precautions should always be followed to reduce the risk of fire, electrical shock and personal injury.
2. Use this fan only as described in this manual. Other use not recommended may cause fire, electric shock or injury to persons. This will also void your warranty.
3. Connect to a main power supplier of 220V~50Hz only.
4. Indoor use only.
5. Under our warranty terms, this ceiling fan must be correctly installed by a licensed electrician. Improperly installed ceiling fans can be dangerous and expensive to repair, it will also void your warranty.
6. Before installing the fan, make sure you have turned off the main electricity supply. Do not turn it on until the fan is fully installed and ready to use.
7. To protect against electric shock: do not immerse unit or cord in water or spray with liquids.
8. This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved.
9. Children shall not play with the appliance.
10. Cleaning and use maintenance shall not be made by children without supervision.
11. Turn the fan OFF when not in use and before disassembling or cleaning. Fully assemble the fan before switching on again.
12. The use of attachments not recommended by the manufacturer may be hazardous.
13. Do not operate if the fan housing is damaged.
14. If the cord is damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid a hazard.
15. If the fan is not working properly, contact a qualified technician for

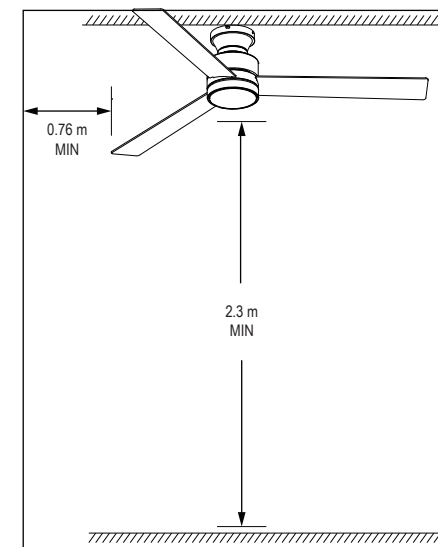

examination and repair. Never attempt to dismantle the fan yourself.

16. **WARNING:** To reduce the risk of electrical shock and fire, do not use this fan with any solid-state fan speed control device, or rheostat.
17. Do not separate the reverse switch until the fan has come to a complete stop.
18. Do not insert anything into the fan blades while they are rotating.
19. **WARNING:** To reduce the risk of personal injury, do not bend the blade brackets (also referred to as "flanges") during assembly or after installation. Do not insert objects in the path of the blades.
20. To avoid personal injury or damage to the fan and other items, be cautious when working around or cleaning the fan.
21. Do not use water or detergent when cleaning the fan or fan blades. A dry dust cloth or lightly dampened cloth will be suitable for most cleaning.
22. **NOTE:** The important safety precautions and instructions appearing in the manual are not meant to cover all possible conditions and situations that may occur. It must be understood that common sense and caution are necessary factors in the installation and operation of this fan.

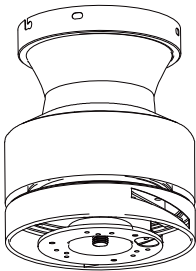

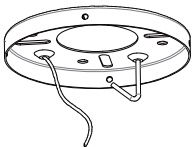

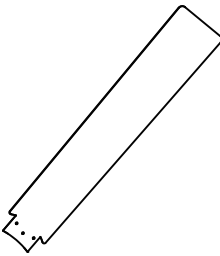

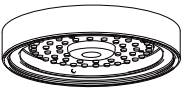

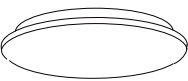

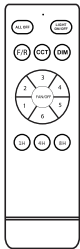

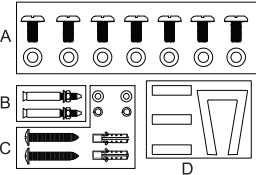

Warning:

Equipment must be installed at the height of at least 2,3 meters from the floor (2,3 meters means from the floor to the bottom of the fan) 0.76m from wall or obstruction.

Since the installation of the equipment sets, the power of the network must be done through flexible cable plug or by pole switch with contact opening distance not less than 3 mm.

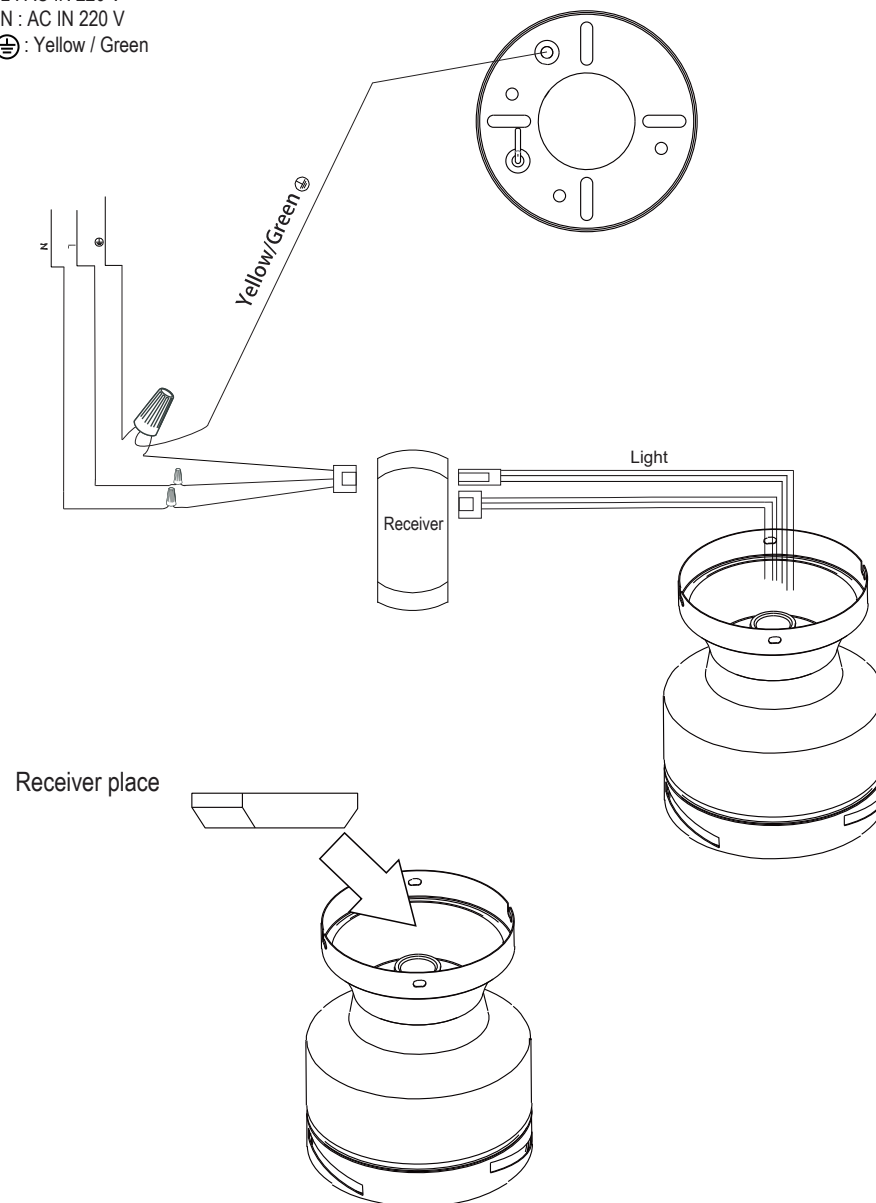

PRODUCT DESCRIPTION

		
Motor	Support plate	Blades
		
LED light kit	Lamp shade	Remote control
 A: Screws and washers for securing the blades (fixed on the motor housing). B: Screws for concrete ceiling C: Screws and washers for wood joist ceiling D: Balance kit		

REMOTE CONTROL CONNECTION

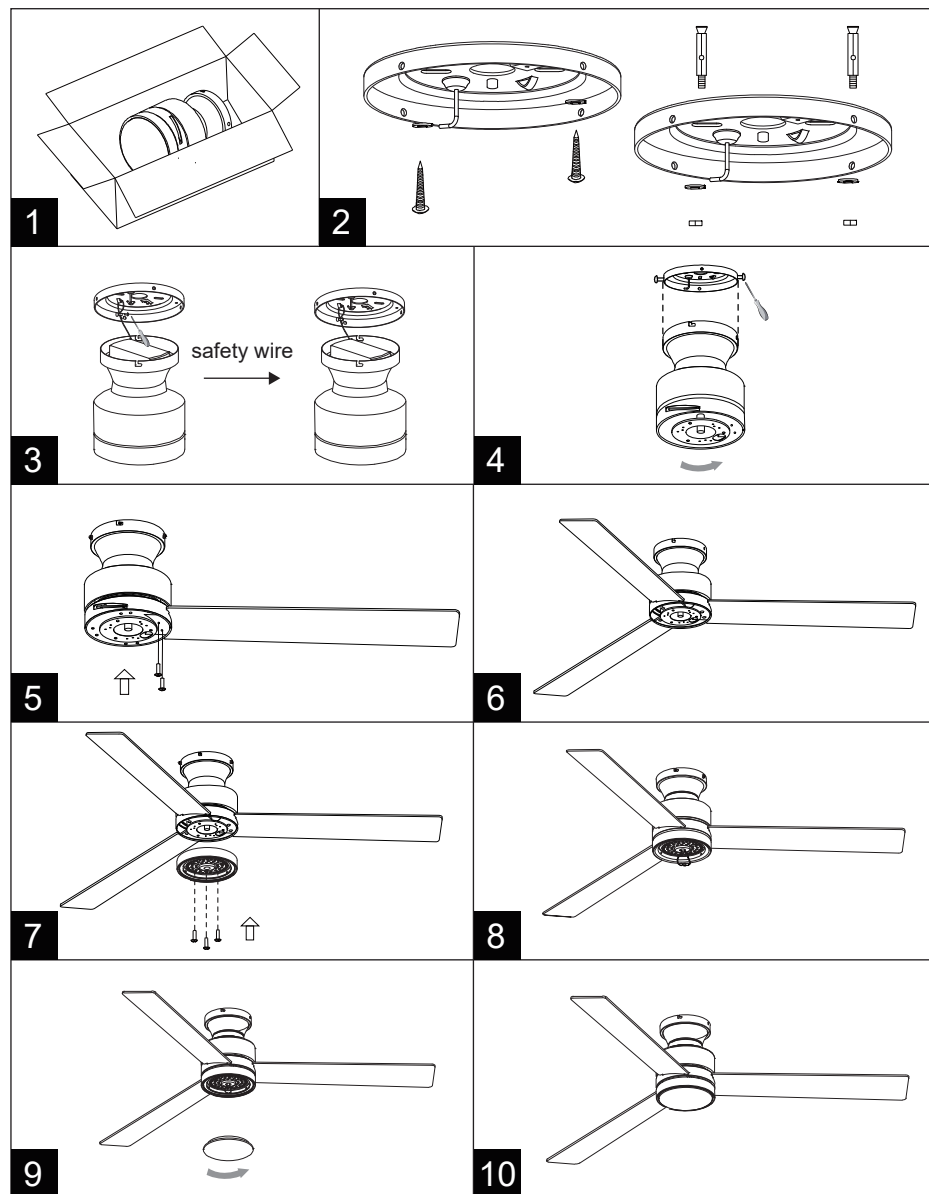

WARNING: To avoid personal injury or damage, be sure to turn off the power to the main fuse box before wiring.

L : AC IN 220 V
N : AC IN 220 V
⊕ : Yellow / Green

ASSEMBLING

Make sure you have all the components before beginning installation. To prevent damage, attach the motor to the support rod on a soft surface or use the polystyrene contained in the package.

1. Open the carton box and take out the fan. (fig. 1)
2. Assemble the support plate on the ceiling using two or more screw anchors and appropriate washers. Attention: the provided screws are for wood joist and concrete ceiling. (fig. 2)
3. Put the locking head screw through safety wire, next put the safety wire through the V-hook on the hanging plate, then the head of safety wire is inserted in the locking head screw, lastly lock with another screw.
Attention: The head screw cannot go through the V-hook. (fig. 3).
4. Connect the AC IN L, AC IN N and Earth wire (with electric tap). (fig.4)
After connect well all the wires, hang the motor housing on the support plate, and rotate it make sure the product will not drop down. Tighten the screws.
5. Center the slots on the blades with the heads of the blades fixing screws and slide the blades so that the head of the screws are positioned at the end of slot. (fig. 5)
6. Remove the screws from connect plate of the motor, please organize all the wires carefully into connect plate.
7. Assemble and align the holes on the back of LED light to the three screws on the connect plate of motor. (fig. 7)
8. Then tighten the three screws on the LED plate, connect the connector together with the motor wire, please make sure the light kit can't be moved after tighten the screws. (fig. 8)
9. Place the lamp shade on the fan. (fig. 9)

INSTRUCTIONS FOR USE

The device incorporates a remote control, for a more comfortable and efficient use. In order for the remote control to work, it must always be aimed at the fan.

Before you start using it, please take a few minutes to familiarize yourself with the functions:

Button : Press this button to turn off the Fan and Light.

Button : Press this button to turn on/off the light.

Button : Press this button to controls the direction of the fan rotation. Press again this button to controls the reverse direction of the fan rotation. Fan must be running to reverse.

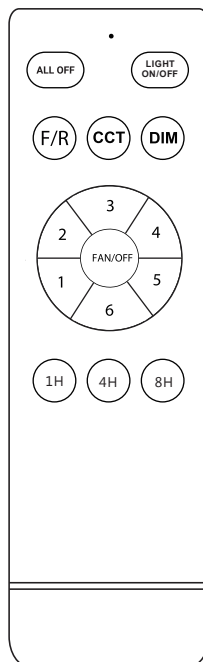

Button : Press this button to switch color-temperature of the light.

Button : Press this button to dims the lights to dark or bright.

Button : Press this button to turn off the Fan.

Buttons **1** to **6**: Press any of these buttons to set the fan speed, being 1 the lowest speed and 6 the highest.

Button **1H/4H/8H**: Setting for the fan to turn off automatically after two, four or eight hours of operation.

CLEANING AND MAINTAINENCE

Cleaning:

1. Before cleaning, turn the unit off, cut off the power supply from electrical outlet and wait for the unit to cool down.
2. To clean the unit, use a soft cloth to wipe off any dust.
3. Do not try to open the unit without a licensed electrician. Improperly installed the unit can be dangerous.
4. Clean the unit at least once a year.

Maintenance:

1. Have your product repaired by a licensed electrician.
2. This electric product is in accordance with the relevant safety requirements. Repairs should only be carried out by licensed electricians using original spare parts, otherwise this may result in considerable danger to the user.
3. Please contact the store which you bought the product for after sale services if any.

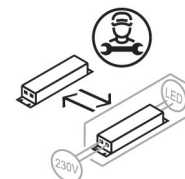

CORRECT DISPOSAL

“Implementation of Directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE)”, pertaining to reduced use of hazardous substances in electrical and electronic equipment, as well as to waste disposal”. The symbol of the crossed-out wheeled bin on the equipment or on its packaging indicates that the product must be disposed of separately from other waste at the end of its service life. The user must therefore take the dismissed equipment to suitable separate collection centres for electrical and electronic waste, or return it to the dealer in case they purchase a new device of equivalent type, at a one-to-one-ratio. Suitable segregated collection of the equipment for subsequent recycling, treatment or environmentally-friendly disposal helps prevent damage to the environment and to human health, and encourages the re-use and/or recycling of the materials that make up the equipment. Abusive disposal of the product by the user shall result in the application of administrative fines in accordance with the laws in force.

gaminy's neturi šviesos mašinimo funkcijos. Ⓢ Šim produktam nav gaismas samazināšanas funkcijas. Ⓢ Ova' proizvod ne može da se reguliše. Ⓢ Яскравість цього виробу не регулюється. Ⓢ Блл шам диммермен реттелмейдї.

Ⓢ Diese Kennzeichnung zeigt an, dass dieses Produkt in der gesamten EU nicht mit anderen Haushaltsabfällen entsorgt werden darf. Senden Sie das abgenutzte Gerät zurück, verwenden Sie das Rücksende- und Abholsystem oder wenden Sie sich an den Händler, bei dem Sie das Produkt erstanden haben. Ⓢ This marking indicates that this product should not be disposed with other household wastes throughout the EU. Return the used device, please use the return and collection system or contact the retailer where the product was purchased. In compliance with the laws in force, this product, at the end of its life span, must be disposed of separately from urban waste (as shown by the "crossed bin" on the product). Therefore, at the end of its

life span, the user must take the product to an appropriate differentiated collection centre or give it to the retailer when a new product is bought. Differentiated collection is indispensable for limiting the potential impact on the Environment and Health caused by incorrect disposal of electric and electronic appliances at the end of their life. LEDVANCE takes an active part in operations encouraging the correct reuse, recycling and recovery of electric and electronic appliances. Contact the local waste disposal service or the product's retailer for further information. Ⓢ Ce marquage indique que, dans l'ensemble de l'Union européenne, ce produit ne doit pas être mis au rebut avec les autres déchets ménagers. Veuillez retourner le dispositif usagé, en utilisant le système de retour et de collecte ou en contactant le revendeur chez qui le produit a été acheté. Ⓢ Questo contrassegno indica che questo prodotto non deve essere smaltito con altri rifiuti domestici nella UE. Restituire il dispositivo usato; servirsi il sistema di restituzione e raccolta o contattare il rivenditore presso cui è stato acquistato. Secondo le Direttive 2002/95/CE, 2002/96/CE e 2003/108/CE e, in Italia, il D. Lgs. 151/2005, questa apparecchiatura elettrica a fine vita deve essere smaltita in modo differenziato dai rifiuti urbani (come indicato dal simbolo costituito da un contenitore di spazzatura su ruote barrato, o "bidone barrato", presente sul prodotto). Pertanto, all'utente dovrà farsi carico di conferire il prodotto ad un idoneo centro di raccolta differenziata, istituito secondo le citate norme, oppure di consegnarlo al rivenditore all'atto dell'acquisto di un nuovo prodotto. La raccolta differenziata è indispensabile per limitare il potenziale impatto sull'Ambiente e sulla Salute derivante dalla presenza di sostanze pericolose nell'apparecchiatura o dall'uso improprio dell'apparecchiatura stessa o di parti di essa. In caso di smaltimento abusivo di questa apparecchiatura sono applicabili le sanzioni previste all'art. 16 del citato D. Lgs. 151/2005. LEDVANCE partecipa attivamente alle operazioni che favoriscono il corretto reimpiego, riciclaggio e recupero delle apparecchiature elettriche ed elettroniche. Per maggiori informazioni rivolgersi al servizio locale di smaltimento rifiuti o al rivenditore del prodotto. Ⓢ Esta marca indica que el producto no debe eliminarse junto con otros residuos domésticos (en la UE). Para devolver los dispositivos usados, utilice el sistema de devoluciones y recogidas o consulte en el punto de venta donde lo haya adquirido. Ⓢ Este sinal indica que este produto não deve ser deixado fora juntamente com o lixo doméstico em toda a UE. Devolva o dispositivo usado, por favor use o sistema de recolha e devolução ou contacte o retalhista onde o produto foi comprado. Ⓢ Η σήμανση σημαίνει ότι το προϊόν δεν πρέπει να απορρίπτεται μαζί με οικιακά απόβλητα σε ολόκληρη την Ευρωπαϊκή Ένωση. Επιστρέψτε τη χρησιμοποιημένη συσκευή. Χρησιμοποιήστε το σύστημα συλλογής ή επικοινωνήστε με το μεταπωλητή από τον οποίο αγοράσατε το προϊόν. Ⓢ De markering geeft aan dat dit product in de gehele EU niet weggegooid mag worden met het overige huishoudelijke afval. Retourneer het gebruikte apparaat door gebruik te maken van het retourneer- en inzamelsysteem of neem contact op met de verkoper bij wie het product aangekocht is. Ⓢ Denna markering indikerar att denna produkt inte bör slängas i hushållssoporna någonstans i EU. Lämna i stället tillbaka den använda enheten, antingen genom att använda retur- och insamlingssystemet eller genom att kontakta försäljaren från vilken du köpte produkten. Ⓢ Tämä merkintä ilmaisee, että tätä tuotetta ei tule hävittää muiden kotitalousjätteiden mukana EU:n alueella. Palautta käytetty laite, käytä palautus- ja keräysjärjestelmää tai ota yhteyttä siihen jälleenmyyjään, jolta tuote on ostettu. Ⓢ Denne merkingen viser at dette produktet i EU ikke skal kastes sammen med husholdningsaffald. Lever tilbage en brukt enhet, vennligst benytt deg av retur- og innsamlingsssystem eller kontakt forhandleren der produktet ble kjøpt. Ⓢ Denne markering angiver, at dette produkt ikke må bortskaffes med andet husholdningsaffald over hele EU. Den brugte enhed skal returneres til et opsamlingspunkt, eller du kan kontakte forhandleren hvor du købte produktet. Elektrisk og elektronisk udstyr (EEE) indeholder materialer, komponenter og stoffer, der kan være farlige og skadelige for menneskers sundhed og for miljøet, når afaldet af elektrisk og elektronisk udstyr (WEEE) ikke bortskaffes korrekt. Produkter, der er mærket med nedenstående 'overkrydsede skraldespand', er elektrisk og elektronisk udstyr. Den krydsede skraldespand symboliserer, at affald af elektrisk og elektronisk udstyr ikke må bortskaffes sammen med usorteret husholdningsaffald, men skal indsamles særskilt. Til dette formål har alle kommuner etableret indsamlingsordninger, hvor affald af elektrisk og elektronisk udstyr gratis kan afleveres af borgerne på genbrugsstationer eller andre indsamlingssteder eller hentes direkte fra husholdningerne. Nærmere information skal indhentes hos kommunens tekniske forvaltning. Brugere af elektrisk og elektronisk udstyr må ikke bortskaffe affald af elektrisk og elektronisk udstyr sammen med husholdningsaffald. Brugere skal benytte de kommunale indsamlingsordninger for at mindske den miljømæssige belastning i forbindelse med bortskaffelse af affald af elektrisk og elektronisk udstyr og øge mulighederne for genbrug, genanvendelse og nyttiggørelse af affald af elektrisk og elektronisk udstyr. Ⓢ Toto označení signalizuje, že tento výrobek nesmí být v rámci EU likvidován společně s domovním odpadem. Použité zařízení, prosím, odevzdejte do sběrného

dvora nebo se obraťte na prodejce, u kterého jste výrobek zakoupili. Ⓢ Эта маркировка указывает на то, что данное изделие запрещается утилизировать вместе с бытовыми отходами на территории стран ЕС. Для утилизации изделия воспользуйтесь системой сбора и возврата или обратитесь к продавцу, у которого было приобретено изделие. Ⓢ Ez a jel azt jelenti, hogy a terméket nem szabad háztartási hulladékba dobni az EU-ban. A használt készüléket küldje vissza, használja a visszagyűjtési rendszert, vagy lépjen kapcsolatba az üzlettel, ahol a terméket vásárolta. Ⓢ To oznaczenie wskazuje, że na terenie UE tego produktu nie wolno wyrzucać wraz z odpadami z gospodarstwa domowego. Należy zwrócić zużyty produkt, oddać go do zakładu selektywnej zbiórki odpadów lub skontaktować się ze sprzedawcą, od którego produkt został zakupiony. Obowiązkiem każdego z nas jest dbanie o środowisko naturalne. Odpowiednie segregowanie odpadów w gospodarstwie domowym znacznie upraszcza realizację odzysku i recyklingu. Materiały odzyskiwane ze zużytych źródeł światła stanowią surowiec do produkcji nowych źródeł światła lub innych urządzeń gospodarstwa domowego. Specjalne symbole znajdujące się na produktach lub ich opakowaniach informują nas o konieczności recyklingu i zawartych w nich szkodliwych substancjach. Symbol przekreślonego kosza oznacza, że zużyte źródło światła nie powinno być umieszczane wraz z innymi odpadami. Zużyte źródła światła podlegają procesowi odzysku i recyklingu, dlatego powinny być przekazywane do punktów zbiórki zużytego sprzętu elektrycznego i elektronicznego. Ⓢ Toto označenie znamená, že výrobok sa nesmie v rámci EU vyhazovať do komunálneho odpadu. Použitie zariadenie odovzdajte do zberného dvora alebo kontaktujte maloobchodného predajcu, u ktorého ste výrobok zakúpili. Ⓢ S to oznako je nakazano, da tega izdelka po vsej EU ni dovoljeno zavreči med druge gospodinske odpadke. Rabljeno napravo vrnite in uporabite sisteme vračanja in zbiranja ali pa stopite v stik s trgovcem na drobno, pri katerem ste izdelek kupili. Ⓢ Bu işaret, bu ürünün AB çapında diğer ev atıklarıyla birlikte atılmaması gerektiğini gösterir. Kullanılmış cihazı iade edin, lütfen iade ve toplama sistemini kullanın veya ürünün satıldığı perakende satıcı ile iletişime geçin. Ⓢ Oznaka ukazuje na to da se proizvod ne smije odlagati u otpad s ostalim kućanskim otpadom diljem EU-a. Vratite rabljene uređaj, upotrijebite sustav za vraćanje i prikupljanje ili se obratite prodavaču u kod kojeg ste kupili proizvod. Ⓢ Acest marcat indică faptul că produsul nu trebuie eliminat împreună cu reziduurile menajere pe teritoriul UE. Returnați dispozitivul folosit, vă rugăm să folosiți sistemul de retur și colectare sau să contactați distribuitorul de la care ați cumpărat produsul. Ⓢ Маркировка означает, что този продукт не трябва да се изхвърля с други битови отпадъци никъде на територията на ЕС. Върнете стария уред, като използвате системата за връщане и събиране на отпадъци, или се свържете с търговеца, от когото сте закупили продукта. Ⓢ See määrgistus näitab, et antud toode ei tohi ära visata koos muude olmejäätmetega kogu EL-s. Kasutatud seade tuleb tagastada, kasutades selleks tagastus- ja kokkukogumissüsteemi või võtke ühendust seadme müünud edasimüüjaga. Ⓢ Sis ženklinimas nurodo, kad gaminio negalima šalinti kartu su kitomis buitinėmis atliekomis visoje Europos Sąjungoje. Gražindami prietaisą, pasinaudokite prietaisų grąžinimo ir surinkimo sistema arba kreipkitės į pardavėją, kurioje buvo įsigytas prietaisas. Ⓢ Sis markējums liecina, ka visa ES šo produktu nav atļauts izmest atkritumos kopā ar citiem sadzīves atkritumiem. Atgrieziet izmantoto ierīci, izmantojot atgriešanas un pieņemšanas sistēmu vai sazinoties ar mazumtirgotāju, no kura produkts tika nopirkts.
